- This camp is **VERY IMPORTANT** as an early tryout for girls considering high school volleyball. Core new players for next year's team will emerge from this camp. **BUT** this is also the time and place to try volleyball out as a high school sport. It is for the young athlete who wants to be active during the summer and have fun learning to play volleyball—**TRY IT !!**
- We will focus on the fundamentals: passing, serving, setting, hitting and team play. It is a fundamentals camp—everyone is welcome. Some incoming athletes might qualify for the advanced team camp that follows the basics camp later in the afternoon. Peninsula Summer camps are an opportunity for our young athletes to meet the High School coaching staff, to learn foundation skills helpful for making the team at high school tryouts, to make high school friends and to have a lot of fun with a great sport.
